The insurance premium is paid by the association. It is only possible to insure the musical instrument, which is used for performances by SBOP. If a change or sale of the reported instrument takes place, this must be reported immediately to the association, otherwise the insurance cover will be extinguished.

Please attach the original invoice with a copy of the account statement, which shows the transfer, for short-term inspection for claims and subsidy applications.

I assure that the above information is correct. In the case of incorrect information, the insurance is void.
